

Hi, my name is Tessa

Loving and Loyal

Medium Female Staffy Mix Dog

☐☐ TESSA ☐☐ Meet the gorgeous Tessa 😊 who is ready to find her furever home. Tessa came to us off deathrow from a rural pound. Unsure what her back story is, like most dogs that come into our care. This poor girl had clearly had a rough start and lacked trust and confidence. However thanks to her amazing foster family, she has been learning what love is and showing her true self to us ☐ Tessa is very loving and sweet in nature ☐ she can initially be a little shy but once she is comfortable with you she loves belly rubs and gives lots of kisses ☐ her favourite spot is beside you on the couch. Tessa would like someone home more often than not as she is anxious when left home alone, she is getting better however would not suit a fulltime working family where she is left on her own for long periods of time. She is an inside dog and just wants to be part of the family 😊 Tessa would love a doggy friend who is a good role model, calm but happy to play too ☐ as this seems to help her feel more secure. She would not cope very well without another dog to live with.
