

# Hi, my name is Mr Magoo

## such a friendly happy boy

### Small Male Staffordshire Bull Terrier Dog

Mr Magoo looks like he has had a hard life, looking at his scars & the dent in his forehead. Despite his rather wonky looks he is such a happy go lucky fellow who doesn't stop smiling.

He has had some training in his past, but as long as he can hang out with people, he is happy. Mr Magoo loves going for car rides & is more than happy sitting on the back seat, watching the world go by. He walks well on a lead & enjoys getting out & about. For a staffie he is very friendly towards other dogs, generally ignores cats & does his happy dance when people are around. Being an older boy, he does enjoy a comfy bed & an afternoon nap. But being left alone in the back yard is not on Mr Magoo's agenda & to do so would not be fair. He is such a people friendly dog that he needs some one to be his best mate & keep him by his or her side as often as possible. Every one who meets Mr Magoo loves him, he can't do a thing wrong.

Mr Magoo has had some damage to his eyes in the past, probably due to...
