

# Hi, my name is Ellie

## Looking for love

### Female Domestic Medium Hair Cat

Please meet Ellie. A domestic short hair bundle of cuteness! Ellie was born on 21st December, 2020 and would really like to find her forever home. Ellie is a typical kitten, full of playfulness and curiosity. She is currently housed with her 6 brother and sisters and they love to play and get along with each other very well. She still has so much to learn about the world and life and would love to be in a home where she is included as a member of the family. Ellie will be adopted to a family who are prepared to keep her as an inside cat. Being young she is still growing into her personality, but this little lady is full of fun and can't wait to find her forever home. Ellie's adoption fee is \$220 and includes her desexing, vaccinations applicable to her age and lifetime registration. Ellie is also regularly treated for flea and worms. To enquire more or to meet Ellie, please call 02 43044350 or email [gوسفordpound@gmail.com](mailto:gوسفordpound@gmail.com) and speak to one of our friendly staff. Ellie will not be available to meet until the 15th January, 2020. Ellie is looking forward to meetin...
