

Hi, my name is Benjamin

Looking for love

Large Male Border Collie x Bullmastiff Mix Dog

Hi There, Benjamin Here, or Benji to my friends... I am a nice young boy looking for the very best of forever homes please... Since coming into Rspca my life has improved 100%, I now know that people can be kind and affectionate to me, and there is no need to be afraid or nervous any more. I am dog social, although may be a little wary at first especially with a bouncy dog approaching me, but I am happy to have a sniff, and quick play after a nice introduction. I will need some confidence building, and some ongoing training to reinforce my learned good behaviour so far... So older children may be better so they can help with my training progression too. My adoption fee includes me, my desexing, microchip and health check and makes sure I'm up to date with vaccinations, worming and flea treatments!
