

Hi, my name is Stormy

Loveable livewire

Female Domestic Medium Hair Cat

Stormy is a total sweetie. Sensible and even tempered, and full of beans. She is endlessly curious and has a hyper play drive, yes a real little alpha girl. And such a beauty with her intelligent yellow eyes, soft grey coat and her shimmery paws! We have a few nicknames for her; Pewter Paws, Iron Maiden...yes, all to do with her gorgeous colour. Stormy loves a pat and a cuddle, to plop down in her fave spots and to play heaps. Pretty much anything will take her fancy as a toy, including resident cat Bon Bon's tail... We think Stormy would suit a household with older children, singles, or couples and indoors only. After her kitten hood was spent on the rantan it's inside only now with less chance for misadventure. Stormy would probably be more comfortable in a house rather than an apartment, although all applications will be considered. Please phone us if you would like to enquire further about Stormy or to organise to meet her. Stormy's adoption fee includes lifetime registration.
