

Hi, my name is Soot

Looking for love

Female Domestic Short Hair Cat

Everyone meet Soot! Soot is a beautiful 14 week old girl. She came to her foster family with not a lot of confidence and has since blossomed into a friendly and curious girl! Being a kitten, life is all about playing (and being cheeky), napping and getting sleepy cuddles (when playtime is over) with with her foster parents. She adores food and playtime the most! Her favourite toy atm is the laser pointer - she just can't get enough! She loves playing with other cats and is quick to make friends with them - she has a lot of energy! She also loves getting snuggly with her foster parents and will seek you out for pats and cuddles, sometimes she just likes to take a snooze near you. She is a medium to long haired kitten and her foster dad says she is going to have the most beautiful coat! Soot, like most kittens, enjoys getting into everything and can often be found with dust and cobwebs in her whiskers from exploring! Luckily she enjoys loves getting a brush and fussing over although she is torn between enjoying the brushing and playing some more (is tough being a kitten!)...
