

Hi, my name is Sarah

Looking for love

Female Domestic Short Hair Cat

Meet Sarah! She is a 5 y.o. super friendly, sweet girl. She was bottle fed from a newborn and adopted into what we thought was a loving home, but then found herself abandoned and left to fend for herself on the streets 😞 She loves cuddles with her humans while you watch TV or work on the computer. She likes to keep her humans company as you do things around the house and she much prefers the inside life. Her favourite cuddles are in bed with you at bedtime or in the morning where she likes to climb on you for pats and be close with you.

(You may or may not get drooled on when she's super happy!) She is litter trained, has learned to sit for food and is harness trained! She loves to go for harness exploring in her foster parents back garden and enjoys rolling on concrete! She likes keeping her foster mum company as she does the gardening, loves grass and playing with ants! She is good with other cats with the right introduction and likes the company but also enjoys time to herself, like the lady of leisure she is! She enjoys a good play once a day and is low-moderatel...
