

Hi, my name is Sylvie

Looking for love

Female Domestic Short Hair Mix Cat

Sylvie is a real smooch buddy, so much so that we cannot get a decent photo as she just wants to cuddle! Sylvie came to us as a stray, it looked like she had not long had kittens but the kittens were nowhere to be found. She had obviously been a much loved pet at some stage as she is so friendly and loving, but was clear by her Earmites and fleas that she had not been taken care of recently. We have now treated Sylvie's fleas and Earmites, as well as worming her, and once she stopped lactating we had her desexed and microchipped. Sylvie is a darling petite little cat that would love to find a forever home to share with a loving and caring family.
