

Hi, my name is Squeak

Looking for love

Female Domestic Short Hair Mix Cat

Hi, I am squeak and its my pleasure to meet you. I am on the search for my forever home and oh boy I hope its you. I have one big personality thats for sure. I just need time, patience and of course lots of yummy treats to win me over. Once I have your trust it wont take us long before we are bestfriends. The staff at RSPCA love sharing their morning tea with me. I jump on their laps and start kneading and headbutting them. I have to be on my best behaviour so they will share their food with me. I do like attention on my terms though. My feet generally have to stay on the ground as I can get scared of heights. If you fall in love and decided to adopt me I would need a safe secure spot to hide in, a scratching post and lots of toys and enrichment to keep myself busy. I cant wait to meet you! Love Squeak xx
