

Hi, my name is Cavoodle Very Special Needs (Pls Read All Info)

Affectionate-friendly

Small Female Cavalier King Charles Spaniel x Poodle Mix Dog

This little girl was known to me & surrendered because of family circumstances. She has been diagnosed with severe hip dysplasia/luxating patellas, due to poor breeding. To operate was going to cost an incredible amount of money & was going to leave this young pup with a lot of pain. So she came to us for rehabilitation & to look at other methods of supporting her body. A new diet to include a full detox initially, then switched to a very specific raw food (no kibble), fruit/veg and meat concoction with added herbs, vitamins & mineral supplements to assist her healing. New owner needs to be prepared to continue with this (NOT NEG). Ongoing muscle strength through special exercise, training & swimming as well as massage are essential for her ongoing health. (some can be achieved at home, some will need specific rehabilitation care). You are prepared to continue with this (NOT NEG) She loves human company and lots of cuddles. She loves other dogs so ideally her new humans might have a gentle small, well behaved doggie for her companionship. However you will need to ...
