

# Hi, my name is Halle

## Black and white girl

### Female Domestic Short Hair Cat

Halle is a sweet young girl, who is as quiet as a mouse and has quickly won over the hearts of her foster family. Halle spends her days lazing away in her favourite spots and has begun exploring her new surroundings more now that she is settled and comfortable. Halle is shy and likes to make sure the people and environment are safe before exploring, but once comfortable will become a beautiful part of your family. Halle is super sweet, and very friendly but because she is timid, we feel she would be most suited to a family that has no children or older children able to understand and respect her quiet nature. Halle will take a little time to get used to her surroundings, but she is truly worth the wait! You won't be disappointed! Microchip Located in Riverstone
