Looking for love

Female Domestic Short Hair Mix Cat

Hi my name is Bianca and let's have a chat about me...(which is actually my favourite thing to do CHAT haha). I am definitely a talker...I love to tell you all about my day ..whether you want to hear it or not I will just assume you are interested. Don't get me wrong though I am a great listener too and will happily hear about all the goings on of your day. I don't want you to get the wrong idea here but I LOVE A CUDDLE! I am not fussy either I'd give the postman a cuddle if he asked for one. I just love to share the love! I would enjoy being a home filled with any age of humans...I will love everyone equally and bring so much joy to your life. I have been desexed, microchipped, vaccinated, wormed and flea treated. If you are interested in me why not come and say hello to me....I am worth it I promise.
