

Hi, my name is Hunter □

Sweet gentle boy

Male Domestic Short Hair Cat

Introducing the ever so sweet Hunter. Hunter is looking for a very special home and this beautiful boy deserves nothing less. Hunter is on the look out for a home where he will be adored and spoilt, have a play mate that he can rumble and tumble with, a nice cosy bed to curl up on at night. A safe indoor only home. His family has to love cuddles even when it's 4am lol. In return for providing a loving home to Hunter he promises to provide you with the following: To greet you at the door when you come home, a companion to sit and watch TV with, a lap warmer when ever you want, headbutts of love and the occasional light tap just to remind you he doesn't want you to stop patting him. Unconditional love and will be a companion for life. If you can provide Hunter with the home that he is looking for and would love what Hunter has to offer in return please click on the link below to complete an application. Hunter will make an amazing edition to your home and is very eager to meet his potential forever family.
