

# Hi, my name is Curley Sue (Susie)

## Looking for love

### Female Domestic Short Hair Cat

My name is Curley Sue and I am usually called Susie or Sue-Sue. I have a very cute face and yellow/orange eyes. My colour is called tortoise-shell or Torti as my fur has a number of colours. I am looking for a home with another cat or kitten, who would accept me and be my companion and playmate. Perhaps I could be adopted with another kitten as I do not like being alone and need the company of a person as well as another cat. I would be best suited to a person who is retired or who will always be working from home full time. I love to run and play with my kitten and cat friends until I get exhausted and then I find a bed or lounge chair to cuddle into and go to sleep. I love to sit and sleep on laps and really enjoy being patted and having lots of hugs and kisses. I spend a lot of time going between indoors and outdoors. I always sleep and have my meals indoors. I like to sleep with my cat friends during the day and at night also cuddle up in bed with adults or sleep quite close-by. I am not looking for a flat, townhouse or unit type living as I am used to being able to go ...
