

Hi, my name is Milwaukee

Looking for love

Male Dsh Mix Cat

Hello people, my name is Milwaukee and I'm very pleased to meet you. I'm growing bigger every day and I am now old enough to find my forever family. I love to follow around people and when you sit down I will find your lap very quickly for snuggles. I am a confident little guy that love to play with my brother and sister but I am now ready to head into the big world and have a family and home of my very own. I really love my brother Ryobi and I'm hoping I can be adopted with him so I may have a friend for life. LOCATION FOSTERCARE
Adoption Process This baby is located in a foster care home in VIC. Always best to email us an enquiry (via this pets profile- see the below link). Please include a description of the home you will be able to provide like where the pet will be kept most of the day, what other animals are at the home, ages of children that live or frequently visit the home and any details of previous experience that you have had with this species or breed. The more details the faster we can speed up the process for a meet and greet with you. Be sure to ask...
