

Hi, my name is ☐ Harley ☐

Looking for love

Male Domestic Short Hair Cat

☐ Harley ☐ Male 13 weeks MC 953010004562092 Source ID 102353 Adoption fee \$230
Located Traralgon Looking suave and sophisticated in his grey striped coat, Harley is a gorgeous boy. A purring machine who enjoys pats and cuddles, he also loves wrestling with his big foster brother and three litter siblings. Harley would suit most homes and, with the right introduction, would fit in with existing pets, perhaps even with a dog (though he hasn't met one yet!). He's desexed, microchipped, had his first vaccination and is up to date with flea and worming treatments. He is fully litter trained.
