

Hi, my name is Ricky Martin

Looking for love

Male Layanese Mix Cat

Hey my name is Ricky Martin, Much like the singer, I have lots of personality and shine like a bright star! I am a little timid at first and I take a time to come out of my shell. But once I am placed on that stage (or your arms) I feel comfortable and warm right up to my surroundings and start to purr purr purr. My foster mum says I am sooo sweet and a really great companion. I have made some doggy friends while in foster and I like them but in a new home it might take me a little while to introduce myself. I have been boarding with my brother Ricky Martin 1249748 in foster as well, so if you think we could come to your home together we would love this as we are very close, but it is not a must. (\$550 for the pair)
