

# Hi, my name is Chuck

## Looking for love

### Male Domestic Short Hair Cat

**ADOPTION PROFILE** Name: Chuck DOB: 15/09/2020 Gender: Male Breed: Domestic short hair Adoption Fee: \$159 Location: Carina Snuggle scope: On his terms Cat scope: Good Dog scope: Not tested Child scope: Not tested Vet work: Complete About: Chuck came into care with his two brothers in November 2020 and was named due to his little white chin, which makes him look a little like a ventriloquist dummy. Since then, he has also enjoyed (or endured) nicknames such as Chuckles, Chuckleberry Finn and Chuck Berry from his carer. These are usually met with the look that only a good feline can give! Chuck loves nothing more than spending time with his feline siblings and would love a home where he has a feline friend to smooch and play with. He is an independent young chap and will seek out his humans when he's ready for some love and a play. If you can offer a quiet home with patience, plenty of food and treats, you will be rewarded with a sweet natured, gentle boy who will lend you his ear for years to come.
