

Hi, my name is Ari

beautiful in every way

Medium Female Mixed Breed Dog

Ari is beautiful in every way, from her temperament to colour and her wonderful eyes ☺. Aged 7 months She loves being around family, and especially loves her other companion doggy friend ☺. She is learning quick and already know how to sit, stay and how to use a doggy door. She is house trained, having had no accidents so far ☺✓ and will wait at back door to go outside. Ari is very intelligent and loves to learn new things ☺. Being a young puppy she does like to chew, so a variety of chew toys should be on hand ☺. She is also currently learning to walk on lead ☺☺. Ari would be well suited for an active family, with another friendly doggy companion to keep her company. Ari needs to continue her lead training & would flourish doing enrolled dog training course. She loves other dogs but can play a little rough sometimes, so best suited with medium & large breed. Ari will settle & is fabulous around the home & listens & calms quickly. Best with children over 10 years No cats
