Female Flemish Giant Rabbit

AVAILABLE FOR ADOPTION THROUGH BE THE CHANGE ANIMAL SHELTER INC - "Daphne" is a 12 month Flemish giant female who has been in a foster home with children and other pets. We also have Cadbury up for adoption - PLEASE NOTE - these are large breed rabbits you will need a far larger than normal enclosure to give them the space they require. They currently free range in a secure yard and are also used to inside time. Please do not enquire to adopt these guys because they look cute - they are a big commitment just like a dog or cat. We have so many people surrender rabbits to us because they purchased them for their children who later lost interest and we don't want these guys to suffer the same fate. Adoption fee is \$80 they are desexed and vaccinated
