

Hi, my name is Bear

Cuddly and loving

Small Male Shih Tzu Mix Dog

Bear is a beautiful natured boy who has thrived and blossomed in his much loved foster home.. Bear has come into rescue and has more then likely had to endure a rugged existence..He has fence aggression and lead aggression but however is good off lead..He will need a loving owner who does not live around alot of stimulation ie: barking neighbour dogs.. He will also require a couple who possess rescue experience.... Kind patient and willing to give him long walks to help with his problems.. Bear is such an intuitive, knowing boy. Can be so soft & loving. Curls up with you, looks adoringly at you & gives a little lick on the hand or foot. Due to large amount of enquiries for small dogs, only those suitable for Bear's specific requirements will be contacted. Thankyou for your understanding.
