

Hi, my name is Penelope

Pretty & Independant

Female Domestic Short Hair Cat

Little Penny is a more shy girl and loves her playtime. She enjoys having the company of her brother but would also thrive and come out of her shell in an only cat household. Penelope has all the looks and is on the hunt for her forever family so she can gain confidence and show her true colours. She has been in a foster home with children but would better suit a home with no young kids as she can be a little bit nervous to begin with. Penelope is looking for a home that will be patient with her and give her the chance she deserves to find love.
