

# Hi, my name is Sandy Boy

## Cuddly and friendly

### Male Domestic Short Hair Cat

Sandy was born to a homeless but super gentle and friendly mum. She had 6 kittens and also helped nurse another 9. Sandy is very people and cat friendly (even if the other cats aren't interested!). And after he's worn himself out playing, Sandy likes to snuggle up on your lap. As well as being a huge purrer, he also loves a chat and is adorably chirpy! Sandy loves to play but he's also happy as a solo kitty or with an equally excitable friend. Sandy is litter and crate trained and has lived in a bustling household with children. He is happy and friendly and so uniquely adorable. Sandy's carer says he is fun loving, playful young kitten who when you start patting him, purrs like a machine. Once settled he sleeps at your feet or on your lap.
