

Hi, my name is Carlos

Come give me cuddles!

Male Domestic Short Hair Cat

Carlos is a very shy little man but once he comes out of his shell he is very affectionate and loves quality time with his human. He would appreciate getting adopted with one of his siblings since he is very close to them and not used to being on his own. Basking in the Sun on the window sill is one of his favorite past time activities, next to spending time with his human. Carlos is looking for his forever home where he can get as many cuddles as possible. He's an easy going cat and cheeky when he wants to be. Carlos comes with all his vet work done and is toilet trained. If Carlos catches your eye, he will also catch your heart.
