

Hi, my name is Marilyn

Looking for love

Female Domestic Short Hair Cat

AVAILABLE FOR PRE-ADOPTION!!! Marilyn is pretty calico girl who is always up for a cuddle and smooch. She loves to climb up to a perch so she can get closer to your face and give you face rubs. Marilyn is quite confident but she loves company so would suit a home where someone is home more often than not and preferably with another cat or kitten for company for when you're not home as she does get lonely. Marilyn isn't used to small children so a family with children over the age of 9 or no children would make sure that Marilyn could live her best and happiest life. Marilyn has never met a dog.
