

Hi, my name is Benedict

Total love bug

Male Domestic Short Hair Cat

Hi my name is Benedict, I do get Sherlock or Mr Holmes. I am a SUPER affectionate boy with no idea what so ever about personal space. I am currently living with 2 older cats and we get on great although they love to give me baths which I complain about. However we like to play chasing around the house. I would love to find someone that would not mind me needing their attention and being in their space. Even if you have another kitty friend for me to play with that would be great. If you think you could be my forever family please send my foster mum a message and she will send you an application.

Will be getting desexed by end of April
