

Hi, my name is Boston

Looking for love

Large Male Catahoula Leopard Dog Mix Dog

Hi, I'm Boston! I am an active boy looking for a new owner who can keep up with me! Take me for a big walk every day, and I promise to snuggle up with you in the evenings. I not used to other dogs. Taking me to doggy school will really help my confidence! Unfortunately other dogs make me quite anxious, so I'd be best being the only dog in my home until I've had some socialisation. I'd like to live with kids who are a little older who can keep up with my energy! I love being with people so I'd like to spend time inside with you, but I also have a lot of energy so would love a big outdoor area where I can run around! If I have to stay home alone, enrichments like Kong toys, bones to chew, and toys for me to play with will keep me entertained until you get home. m/c: 941000025104258
