

Hi, my name is 5053 Amy

Looking for love

Female Domestic Short Hair Cat

🐱 MEET AMY 🐱 This stunning ginger tiger has the cutest white socks on her back paws - and the cutest temperant to match! Given a little time to get to know you, Amy will turn into the sweetest girl - always be up for a back scratch, chin tickle, and smooch with her soothing purr. This beautiful bagpuss has a gorgeous golden, orange coat that she loves to keep in purrfect condition. Nature Amy is quite a lazy cat and likes to spend most of her days chilling out by a window and soaking up the fresh air. It isn't all sleep and no fun though - she also likes a bit of a play as well as a good scratch and stretch on her scratchy pole. Saying all that, Amy is a little bit of an anxious cat so she needs to feel safe and loved and to be spoiled and made a big fuss of by her future owners. Companions (Children, Cats & Dogs) Amy is a shy girl that doesn't get along with other cats so would be best suited to a quiet home with no children or other pets. As Amy has had a very troubled past life, she does have a few extra needs, so she will need her owner to be willing to go that ...
