

# Hi, my name is Milo D12654

Looking for love

## Medium Male Wolfhound x Catahoula x Kelpie Mix Dog

Milo is an affectionate and intelligent pup at just one year old. He attended our recent adoption day and was a real superstar. He wowed everyone with his beautiful manners! He's also a wonderful big brother to 3 small foster puppies. All Milo wants is to be with you and give you endless cuddles and kisses. He loves a good walk and playing fetch in the yard. He takes treats very gently and is already house trained. He is doing well learning new cues - he knows sit, lie down, drop it, and off, though he can be a bit stubborn occasionally as any puppy would! Milo is quite good on the lead but can tug if there is another dog nearby or a really interesting smell. While he can be a bit cautious of larger dogs at first, he is dog-friendly and loves having a dog pal at home for company. He is also friendly with cats. He is best with older kids while learning not to jump up for kisses. Milo isn't the biggest fan of being left home alone, so he needs someone who is available to put in the work to help him become more comfortable with spending time at home while you're out. ...
