

Hi, my name is Coco

Happy soft girl.

Large Female Wolfhound x Mastiff Mix Dog

Coco is a smaller statured wolfhound X who is almost 2 years old. She loves to give cuddles and kisses and has a soft and beautiful nature. She is searching for an active home that can provide her daily walks on a halti, and continued training with the world around her. Coco is dog social but best suited to controlled socialisation with medium to large sized dogs as she can be rough with her play. Her new home would have a well natured dog or she could easily be a very much loved only dog. She is excitable still so is best suited to dog savvy kids over the age of 10. She is not suited to younger kids. Coco has shown to not be good with cats or pocket pets. But doesn't chase the horses in foster care or jump the fences to the chicken coops. Coco is not suitable to dog parks or off leash dog beaches. Her new home will have fencing 5ft or above however she is suitable for rural fencing or acreage living.

Happy and healthy.
