

Hi, my name is 3504 Lillia

Looking for love

Male Domestic Short Hair Cat

☐☐ MEET LILLIA! ☐☐ I'm a striking young fellow - yeah, that's right! I'm actually a boy. My foster mum sure had a surprise after my visit to the vet to get de-sexed. Whoops! Will you help me choose a new name? Nature My favourite daytime activity is to find comfy places to have a snooze. But as the day goes on I turn into an active adventurer. I'm quite the pro wrestler and I have nice big strong muscles from tumbling about with my siblings. It's quite a spectacle! But shhhh, it's all just an act, I'm secretly quite a smoochy boy to my favourite fellow felines. You might even catch me giving them a bath! My foster mum says I'm also veeery good at long distance jumping. Heights are no match for me! My strong legs send me flying across the room. It gives my foster mum quite a worry, but I promise I know what I'm doing okay?! I'm super social and would love to meet some new feline friends. Do you have any for me to play with? I don't mind if they're big or small. My only purrsonality flaw is that if you're not on my VIP feline list then I won't play with you, I'm just to...
