

Hi, my name is Edie

Looking for love

Female Domestic Short Hair Mix Cat

This kitten is so sweet and cuddly. She loves to be held, sleeps with us at night, and bunts against our heads. She's fairly vocal, especially when she wants something. She loves to play and has a lot of energy. She sprints around the house like a madman even with two big plays a day. She would LOOVVEEE an outdoor cat max so she could safely go outside, and spends a lot of time chattering at birds passing by our windows. She likes chasing insects that get inside. Interestingly, she likes water! Not getting soaked, but playing in the shower after the water is off, and splashing in the bathroom sink. She loves her best friend Angus and doesn't like being left alone (a kitty friend would be ideal!) Edie thinks people are cat trees and will jump on our backs if we bend over for too long. This girl knows what she wants! We can't seem to keep her off the kitchen bench. She's had some positive interactions with our big dogs and will rub against them. If the puppy gets too excited she gets scared and hides but this doesn't deter her from saying hello again next time. She loves exploring...
