

# Hi, my name is Rocco

## Looking for love

### Medium Male American Staffordshire Terrier Mix Dog

**ADOPTION REQUIREMENTS: INDOOR/OUTDOOR -- CHILDREN 10 YRS+ -- 6FT COLOURBOND SECURE FENCING** Rocco is a lovely fellow who is a little down on his luck at the moment. He came to us as a stray and has had some struggles adjusting to Shelter life. Rocco wants nothing more than to be with his person, so someone who spends a lot of time at home or has a job where Rocco would be welcome would suit him well. Rocco is highly food motivated which makes him super easy to train. He already walks nicely on lead and can sit and shake. Rocco will need a daily walk and some games and plenty of enrichment to keep him happy and healthy. Rocco does battle anxiety and is currently on medication for this. This medication may be ongoing. We recommend Rocco for a home with children aged 10 years and older. Please remember that all interactions between children and dogs should be actively monitored. Due to COVID19 lockdown restraints, we have revised our current adoption process which is now by application only. Please follow this link; <https://www.rspca-act.org.au/services/adoption-app...>
