

Hi, my name is Spike

Super Sweet Boy!

Large Male Greyhound Dog

Hello World, My name is Spike and unlike my name suggests, I'm a super, loveable softy! Here are a few tidbits about me: - I can be a little shy at first, but I warm up as soon as I know you are going to give me a big back scratch! - I'm mostly used to city life - trams, roads, etc, but still jump at a flapping wheelie bin lid! - I've been digging 2 walks a day. I love them and will leap and spin in excitement at the prospect of one! - I quite like my small plushy toys, especially that chirpy carrot of mine. I'd love to show you how to throw it! - I'm all about cuddles, I love showing my love and affection and I'm definitely not afraid to rub myself against you, tucking my face in your nooks and neck. - I'm big on the naps and snooze the day through. - I'm a mature, 6 year old good boy, looking for the love(s) of my life. - I have been told that I am the most gentle, soft and Zen dog on earth! What I'm looking for in the love(s) of my life are: - Patient and willing to give me time and encouragement to get a little more brave (I'm definitely on the way!) - ...
