Looking for love

Large Male Doberman Mix Dog

Baz is available for adoption DESEXED, MICRO-CHIPPED, up to date VACCINATIONS, FLEA/TICK/INTESTINAL WORM treated & on HEARTWORM PREVENTATIVE Rehoming fee: \$395 DOB: 1/11/2019 Sex: Male Breed: Doberman x Kid friendly: yes Cat Friendly: untested Other dogs: yes Fences: needs to be discussed BIN: BIN0000268254643 *currently undergoing heartworm treatment* Hi, I'm Baz and I absolutely love people and dogs both big and small.

I love cuddling up on the couch but I do need daily exercise or I get bored. I have a super loving and cheeky side that anyone who meets me will love. I may be a medium sized dog but I can clear any size fences, even the 6ft one. Once I have settled in with my people I will stay in a yard with 6ft fences majority of the time as long as my people are home and I have access to the house whenever I want to. If my people aren't home, I will jump fences to go looking for my people. If you're keen to adopt me at this stage of my heartworm treatment you will need to ensure my treatment is completed.
