

# Hi, my name is 5493 Frankie

## Looking for love

### Female Domestic Short Hair Cat

☐☐ JULY SPECIAL \$50 ADOPTION FEE ☐☐ 🐱 MEET FRANKIE 🐱 Nature Frankie is a very gentle and loving girl. She likes to lay near you, on your chest or somewhere higher where she can watch you. She can be quite a shy girl but has settled in with her foster parents very easily. Companions (Children, Cats & Dogs) Frankie loves her humans, she would do great as a single cat and would get along well with kids or in a home just with you for company. Likes / Dislikes Frankie likes back scratches, short belly scratches, hiding in tricky places and snuggling with her favourite humans. Frankie dislikes high-energy cats and would prefer to be on her own or with other very chilled-out animals that are happy to give her space. My PURR-fect home would be preferably alone, although given time I could settle in with other quiet, friendly animals. I like to just cruise my days away quietly with my humans.
