

Hi, my name is William

A real Royal

Large Male Greyhound Dog

My name is William and I am just a prince of a hound!! I would like to be king of your heart and have my days snuggled up with that special person who takes me home. I love to play and go for beach walks, I also would love to try out all the doggy cafes with my new humans!

I have meet a small dog and was very polite. I am good with children and would love someone who will take the time to teach me all the tricks to fit in with their home. When my people are away I will need a fully fenced yard so i feel safe and relaxed and I haven't seen a cat yet so I'm not very keen on living with one, I don't think (I want all the pats to myself!) . I look forward to meeting you, are you coming to see me soon?
