Distinguished older gent

Large Male Greyhound Dog

Hi, my name is Artie. I am the most handsome 9 year old you could ever find, a distinguished black and white chap. I have settled in very nicely to my new life with my foster mum and dad and two fur sisters. I have just discovered the joys of playing with toys and am learning new things every day. I hadn't been used to going out for a walk so got tired pretty quickly at first but am building up stamina now and really enjoying being out and about. I LOVE going out with my Mum in her car and have learned how to jump in the back of it - if I am not too tired lol. Whilst I don't really interact with my sisters I would still like to have another dog living with me. I don't want to live in a house with only humans to talk to. I don't like cats - I haven't seen many in my life but just know they are not my kind of people. I would love to be with someone who is home a lot as I like random ear scratches and having the top of my head kissed. Come and meet me - you know you want to...
