

# Hi, my name is Maya

## My elf ears

### Female Domestic Short Hair Cat

Maya is a special little girl who along with her siblings, Teddy & Benny was rescued from a timber yard at only weeks old. Understandably this makes Maya rather cautious when it comes to getting to know people. Unsure at the beginning it may take Maya a couple of days to be sure she is safe and another week before she truly begins venturing out. Yummy food will definitely make this transition easier. In saying that, once she's out she's full of personality! A crazy little kitty with a beautiful face she knows how to use, you'll soon be wrapped around her little paw. Be prepared for play and treats- two of Maya's favourite things!
