

# Hi, my name is Franky

## Friendly and loving

### Medium Male Mixed Breed Dog

I might look like a dainty ballet dancer, pointing my toes but the truth is, my leg has been broken and I never received any medical care and it has healed wonky. The good news is that my doggie doctors have said that it doesn't require anything done with it and it isn't causing me any pain, I just walk and stand like I am posing for a photo. It made my dr very sad that I would never have even received pain relief for this agonizing injury but don't worry, I will never have to go through anything like that again. The KPR team think that I look like a cross between a Kelpie and a Chihuahua. I have a little apple shaped head, a dainty build but have long legs and weigh around 10kg. I am a friendly little guy but i need to be the only pet in my home. I am only a year old, and I am ready to start my new life. Are you going to love me furever? Love Franky xx PLEASE NOTE: This pet is located in Kingaroy.
