

Hi, my name is Willow

Looking for love

Female Domestic Medium Hair Mix Cat

Willow is a sweet and gentle soul who came into care very scared and unsure. With lots of time and TLC, Willow is beginning to feel more settled and comfortable as the days go by.

She would best suit a calm and quiet home, one where they can feel safe and secure.

Willow's settling in process should be taken slowly so as to not overwhelm them. I am currently Available - while waiting for my desex surgery, I wont be able to go home with you till next week, but please still ask about me today! If you think I might be the perfect fit for

your family, please fill out an adoption application today!
