

Hi, my name is Neo

willing learner

Medium Female Kelpie x Bullmastiff Mix Dog

Hi My Name Is Neo I want to be part of a family that has no other pets. I don't like other dogs and don't need their companionship. I don't make good decisions with birds or cats, but to my family I will be devoted. I grew up in a small country town so lots of things are new to me and I can get startled easily. I don't want to go to dog parks and I don't want to visit your friends dogs either. But what I do want is to sit on the couch and watch TV with you and play with toys in the back yard. I would like to learn tricks and I think I will be very good at it. Most of all I just want a family who will listen to my needs. Please consider my needs and if you think your my right match please get in touch so I can find my forever home
