

Hi, my name is Rosy

Looking for love

Female Domestic Short Hair Mix Cat

I'm a timid but affectionate kitty who is trying to find her feet. I'm looking for a calm, quiet home where I can learn to be myself. I like keeping a watch on things from afar, but once I know I can trust you I'm not shy to ask for pats. Normally I'm quiet, but once you start patting me I'll start purring up a storm! New situations can spook me, but I'll relax with love and patience. Start me with a small launch room with a few planned hiding spots so I can feel safe. Spending time with me will help us bond as well (and a bit of wet food doesn't hurt either). No young children please - sudden and loud noises can spook me. Adoption Price \$245 If you think I might be the perfect fit for your family, please fill out an adoption application today! <https://www.rspcaqld.org.au/expression-of-interest-to-adopt>
