

Hi, my name is Scruffy

Looking for love

Male Turkish Van Mix Cat

My name may be Scruffy but I have the softest furr! So soft you will never want to stop patting me yay! I am a bonded pair with Dante, which means we have to be adopted together. We love each other very much and like to spend all day snuggling. I am quite shy but easily won over with food, especially anything chicken flavored. Since I can be a bit shy I would suit a mature household that also has previous cat experience and knowledge. I would like my new to understand and respect that I will need some time to settle in. But once I have settled in, all I want is someone to snuggle up to on a cool night. My adoption fee includes me, my desexing, microchip and health check and makes sure I'm up to date with vaccinations, worming and flea treatments!
