Timmy loves food and sometimes eats it too quickly! Timmy has shown signs of dog reactivity when meeting other dogs while in the shelter. He became very worried and hesitant to approach. His new owner may be able to introduce him to another KNOWN SOCIAL dog for walks together during quieter times of the day. He will need calm social doggy friend to help him with his fearfulness. He is not suited to visiting dog parks or off lead areas. Timmy came in to the shelter as a stray so high solid fencing is recommended in his new home. If...
