

Hi, my name is Fletch 9549

Campbelltown Acf

Shy quiet boy

Male Domestic Short Hair Cat

Hi, my nickname is Fletch. I came into the facility as a stray and sadly no one came to collect me. I am a quiet, gentle boy who is ready to become apart of a loving family. I have preferred to spend most of my time relaxing in the sleeping quarter of my enclosure while at the facility as I find it comforting to have a quiet place to retreat to. I don't mind accepting gentle pats from my carers when the come to visit me, and I am sure that with time I will become more and more social in my new home once I am feeling more confident. If you think you have space in your home and heart for a sweet boy like me, come check me out!
