

Hi, my name is Travis

Looking for love

Male Domestic Short Hair Mix Cat

Travis can be shy and uncertain if he isn't familiar with you. He came to the RSPCA as a stray with three other kittens, who were much more confident than he was. Travis' confidence has grown, and he will keep getting more confident with a kind loving family. Travis is desexed, vaccinated, microchipped, wormed and treated for fleas. He Loves other cats and kittens and will be best suited to an experienced cat home, with plenty of toys to play with and hidey-holes to retreat to.
