

Hi, my name is Ziggy ~ 14 Week Old Female (On Trial 25/07/2021)

Looking for love

Female Domestic Short Hair Cat

Ziggy is a bundle of fun filled energy. She spends a good portion of her day wrestling and playing with her animal friends. Ziggy has all the tortie spirit that is so sassy and loveable (tortitude does not equal spicy!) Ziggy loves pats, chin scratches and cuddling on her humans laps however she doesn't like being picked up. She can also be a little hand shy if you move too fast towards her. While she's still growing in her confidence, we think she's going to be a cracker cat! - She is a confident little girl and would probably bring a quieter cat out of their shell. - Has to inspect everything around the house, especially if it is new - everything is fantastic. Toys, windows, blinds, ability aids. - She is very happy for you, or any other animal to join in on her tortie adventures. She is cat friendly, she is RABBIT friendly & tolerates a small dog that visits her foster home weekly. - Ziggy would best suit kids over 5 who can follow instructions on being gentle and not picking her up. - I think she would be ok as a solo cat, as again, she is a very bus...
