

Hi, my name is Payton

Looking for love

Male Domestic Short Hair Mix Cat

This gorgeous little one came to the Centre as part of a litter. They are neat, tidy, playful little kittens that should settle well into a home. Payton is more reserved than his litter mates. He is not as confident and will take a little bit of time to adapt to a new home. All kittens need to be kept safe, as they can climb too high, or jump from too great a height until they get it worked out, so care must be taken to supervise kittens in new situations. They also need to be taught to play appropriately - that means not laying claws and teeth on human hands or feet - so interactive toys such as "wand" style are best. Keep your kitten safe and healthy and you should have a wonderful companion for many years to come
