

Hi, my name is Pam Pam **9 Lives Project Rescue**

Sweet, chatty girl

Female Domestic Short Hair Mix Cat

Pam Pam is a sweet girl who is looking for her retirement home. She needs to be an only cat where she can be worshipped and adored as the true queen that she is. Pam Pam loves to be brushed and comes with a mountain of the thickest, softest coat you will ever feel on a short haired cat. She is by far the most talkative cat, especially when she is hungry (which is most of the time), and will be very loud and vocal until you feed her. (Mornings she will seek you out and complain until you get up if she thinks you've slept for too long). She is very well house and litter trained. She doesn't spray, or claw at any furniture (only rugs or doormats). She prefers to toilet outside, and would recommend a cat run for her. If you would like a new furry companion to keep you company while you watch TV, Pam Pam is for you.
